(feat. Youth)

Tell me how do you speak when there aren't any  
words?  
Tell me how do you hear when your tone deaf to the  
world?  
And I'm sorry you didn't make it  
(Yea)  
Yes I'm sorry you didn't make it  
To being...  
And I miss you  
(I love your smile)  
I miss your innocence  
And those days  
(Ew yea)  
And I'm sorry you didn't make it  
(I love your smile)  
To being thirteen  
(Ew yea)  
And I miss you  
(I love your smile)  
I miss your innocence  
And those days  
(Ew yea)  
(x2)
