"All around the world, girls, all around the world This goes out to girls all around the world" - Slick Rick [Intro]
I just want to be your man girl So uh, gotta make you understand girl [Verse One] It's the way you flip your hair And those stylish clothes you wear When you walk into the room All my partners stopped and stared at you But they just been the usual It's the tattoo on your back And that brand new Louie bag With them matchin' high heels I can't help this girls swag's the truth And I just want to give her love, oh [Chorus] Girl I can't get you off my mind You're like my favorite song (song) Just want to turn you on And work you all night long 'cause I oh I I just want to be your man [Verse Two] Just to smell your perfume, got me goin out my head See you comin' see you goin' Never met someone as bad as you Since you're my favorite girl, yeah I know just what you need, to make you look complete This platinum wedding ring, 'cause oh I got a thing for you I'm a take you around the world, oh baby [Chorus]
[Verse Three: Lil Wayne] Ah ha ha, yeah OK I'm thinkin' of a master plan Nah, I'm lyin', shorty on my mind Shorty like a fryin', pan, and I ain't got Nothin' but sweat inside my hands So I dig into my pocket, all my money is spent But I don't need a cent, 'cause shorty priceless I tell it like this, I been (all around the world) So baby I can take you (all around the world) I roll up, this is a hold up It's young money man, shorty made me smile When ain't a damn thing funny Heh heh, but still don't nothin' move but the money So baby if I move then we move with the money Which is my favorite dish But if I taste you that'll probably switch And then we will probably switch Now I'm walking up the street, whistling this [Chorus]
