Uh, uh, shake, uh, shake it down now

Uh, uh, yeah-yeah-yeah-yeah, yeah, yeah one time

Two times, shake it down now

Remember way back in the day (hey hey)

When the kids from around the way

Used to come out and play

And the double dutch bus

Had you bumpin' on down the street

Tryin' to move your feet

While you shake your little booty

To the groove of the beat (uh)

To the beat

To the beat (beat)

You hit the corner and you stopped

Hey y'all there's a party on the other block

We hit the jackpot

Jackpot (what what)

And it's only 12 o'clock

And the sun is hot

Free soda pop

We about to rock rock rock rock...

What's your name

Lisa

And where you from

9th street

Where you goin'

To the party

Can I come

Uh huh

Ooh...they're playin' hop scotch

Come on

Come on hop with me

Come on

Ooh...them boys is pop lockin'

Come on

Come on bounce with me

We were dancing all night long

We were dancing all night long

Music pumping and we're jumping

And they played our favorite songs

We were dancing all night long

We were dancing all night long

Music pumping and we're jumping

And they played our favorite songs

I'm a big city girl

From all over the world

And I do what I wanna do
Right foot left shoe
Then you take it on down
Then you shake it around
Bring it up
Clap your hands
Then you turn it all around
We were dancing all night long
We were dancing all night long
Music pumping and we're jumping
And they played our favorite songs
Remember when we did the wop (pop pop)
And you used to make that head bop (bop)
Like it would never stop (stop)
And them other grown folks
Gettin' busy with the gigolo
Drinkin' Michelob
It was 6am before they hit the road (uh)
Hit the road hit the road (road)
Them fat gold chains and high top banks (hey)
Run DMC was all you ever played (yeah)
Shell toe Adidas
No strings (mmm mmmm)
There's somethin' cookin' in the pop
About to hit the spot
Boombox

Play me some of that hip hop (hip hop)

Hip hop hip hop hip hop.....

What's your name

Lisa

And where you from

9th street

Where you goin'

To the party

Can I come

Uh huh

Ooh...they 'bout to get it on

Come on

Come on bounce with me

Come on

Ooh...they on the dance floor

Come on

Come on rock with me

We were dancing all night long

We were dancing all night long

Music pumping and we're jumping

We were dancing all night long

We were dancing all night long
