I've been rolling up and down that lost highway
Doing everything I wanted to every which way
I could as long as it felt good
But there's nothing that can make me feel the way you
can
So I gave up my addictions, I'm a brand new man
It's true 'cause all I really want is you

Baby, you've got what I need, and nothing else will do
'Cause nothing gets me high on life or drunk on love
the way you do
So if you're thinking I'm addicted, I guess it's kinda
true
But they can keep their drink, their smoke, their pills,
and their cocaine too
'Cause your love's the only drug I do

So if my hands are kind of shaky, it's 'cause you ain't
here
And if my eyes are red, it's just because of all these
tears
I've cried, girl, you've got me feeling cold inside
Is there anyway that I steal a kiss
'Cause that's the only way I could think to get my fix
I swear, now, promise me you're gonna take me there

Baby, you've got what I need, and nothing else will do
'Cause nothing gets me high on life or drunk on love
the way you do
So if you're thinking I'm addicted, I guess it's kinda
true
But they can keep their drink, their smoke, their pills,
and their cocaine too
'Cause your love's the only drug I do

Your love's the only drug I do
Your love's the only drug I do
Your love's the only drug I do

Baby, you've got what I need, and nothing else will do
'Cause nothing gets me high on life or drunk on love

the way you do
So if you're thinking I'm addicted, I guess it's kinda
true
But they can keep their drink, their smoke, their pills,
and their cocaine too
'Cause your love's the only drug I do

Your love's the only drug I do
