Like you are skaking it for some paper

So about tomorrow you forget what you where saying

Switch, switch, switch it from right to left

And switch it till you running right out of breath
And take a break to be ready again
And you can invite over as many friends

Just *** i want, but i really want you
Be thankfull that Pharrel gave you something ***

Luda - I am on top of my game
You want my hands from your bottom to the top of your
brain
And I - just wanna take a little right on your curves
And get erotic giving your body what it deserves

Let me give you some swimming lessons on the penis
Backstroke, breaststroke, stroke of a genius

I stay harder then a senimen man
I am just a bedroom gangster

Cause everybody in the campus like - oh my god
