Take a small bite of your meat-loaf and share it with  
the throne  
Tie the tie, you're a handsome date rapist

Put some faces, put some smiles, and all that garbage  
in your mouth  
Lick them with the knowledge that you don't know  
where they've been  
Just like a quarter

Fake like you care and you'll get to go home with her  
tonight  
Tell the friends, you're their biggest hero

Put some faces, put some smiles, and all that garbage  
in your mouth  
Lick them with the knowledge that you don't know  
where they've been  
Just like a quarter on the sidewalk

Starving smiles, so pretty  
It will always be this way

No one here is innocent  
No one here is on his knees  
No one here has got some problems  
No one here is a rapist, racist, high-blood pressure,  
short-tempered

Your face has filled out a bit but you're respectable  
Keep it sharp, keep on smiling, we're happy

Put some faces put some smiles, and all that garbage  
in your mouth  
Share them with your children though you don't know  
where they've been  
Just like a quarter on the sidewalk
