Something I must tell you,
Must believe it's true,
There is nothing in the world
As beautiful as you

Oh little girl,
Misunderstood,
The finest wine and the finest food,
I'll build you, you're own Hollywood,
Do it all for you x2

Got something I must tell you,
Must believe it's true,
There is nothing in this world,
I wouldn't do for you

Oh limousines, private jets
Seventeen fakers yet,
All the best that you can get,
Do it all for you x2

Got something I must tell you,
Must believe it's true,
There is nothing in this world,
I wouldn't do for you

Well we had a good thing going,
Shoulda kept it going on,
Nothing would go bad for us,
Nothing would go wrong

But I saw the look you gave him,
And I saw him fall for you,
And I saw him get to know you,
There was nothing I could do x2

Got something I must tell you
