grab yourself a seat and a whiskey double because the  
girls of the world anit nuttin but trouble they like a little  
danger and might not admit it but they on for the taste  
and want us to come and get it plus they love a young

get loose and throw off ya damn garmetas Show em  
whos the boss they takin orders from the sergeant  
Theres places on your body I'm just tryin to find So in  
the sack talk to me tell me whats on your mind An I got  
plenty more to learn if you's investin in me They dont  
love for who I am but who I destined to be For that, I'd  
give you everything up under the sun Cuz in the end all  
girls just wanna have fun [Chorus] [Ludacris]x2 They
