[Ludacris] I got five kisses, where you want 'em at?
Either of yo' lips, yo' ears, yo' neck, yo' stomach or yo'
back Yo' inner thigh, right on yo' kneecap or yo' belly
button These other guys be out here talkin but they
steady frontin They don't know what they want, that's
why I tell you put yo' trust in me Share all yo' secrets,
yo' desires and yo' fantasies I ain't gon' tell nobody
baby, I'm an only child I'll keep it to myself cause all I
wanna do is see you smile Knowin that you got
someone to talk to, ain't that what you want? I'll be yo'
lover, yo' provider and yo' confidant And I won't judge
you cause I know that ain't nobody perfect But you got
some perfect imperfections and that makes you worth
it I wanna see yo' body in all of the positions that you
like it in We could do it slow or have some drinks and it
gets enticin when You like it rough and I give it rough
and start to pull yo' hair Cause ecstasy's yo' destination
and I'ma take you there Tell me a secret baby [Chorus:
Ne-Yo] Tell me somethin that nobody else knows Girl
don't think about it, just soon as the door cloooooose Tell
me a secret baby Tell, tell, tell me a secret baby Oooh,
show me somethin that nobody else sees (ayyy) Tell
me all the things that you would do if it was you and me
Tell me a secret baby Tell, tell, tell me a secret baby
[Ludacris] It ain't nobody in the universe that competes
with you Imagine the possibilities and all the little
freaky thangs that we could do Blindfolded
handcuffed to the headboard, never let you go until
you scream my name Maybe you think I'm playin but
this is really far from a motherfuckin game Ain't a
damn thang change still nasty as I wanna, be And I got
just what you been lookin for baby girl you wanna, see
It'll turn you on and it's gonna be on soon as I take it off
Just give me yo' body, it's guaranteed that I'ma break it
off Off off off, off until the sunrise And I'm not here to
disappoint, just give me one try One kiss, one pinch
and you could take or leave it But before you make up
your mind just tell me one secret Ne-Yo, holla at 'em
[Chorus] [Ne-Yo] Said we can talk about your fantasy
And ain't nobody gotta know but me Baby c'mon and
make this move if you're gonna Baby we grown, we can

do what we wanna, hey Said you can tell me what you
like to do Baby girl you never know, I may like it too
Baby c'mon and make this move if you're gonna Baby
we grown, we can do what we wanna, ayyyyy [Chorus]
w/ Ne-Yo ad libs [Ne-Yo] Whoa-ohhh-ohhh-ohhhh
Whoa-ohhh-ohhh-ohhhh Ooh-ooooh, oh yeah Mmm,
tell me a secret yeah Whoa-ohhh-ohhh-ohhhh Whoa-
