I know I said it didn't matter

Don't mean nothing

But it's gotta mean something that

I wrote this song for you

I wish I would've told you better

Called you up or told you to your face

But writing songs is what I do
And if I was fine,

I wouldn't be up so late at night

If I was cool,

I wouldn't be here thinking of you

If I could lose my foolish pride,

I would be there by your side
I don't remember what we said

Or who said what

But I know that

I'm tired of missing you
Thought I'd play a little while

'Cause it makes me feel better

Didn't know what else to do
But if I was fine,

I wouldn't be up so late at night

If I was cool,

I wouldn't be here thinking of you

If I could say what's on my mind

I would be there by your side
And if I was fine,

I wouldn't be up so late at night

If I was cool,

I wouldn't be playing til my fingers turn blue

If I could say what's on my mind

I would be there by your side
I would be there by your side

I would be there by your side

Oh, I wanna be there

Doo, doo, doo, doo, doo, doo, doo, doo, doo, doo
