[whispered 2X]

Watch out, watch out, watch out, watch out, watch out-
watch out

Watch out, watch out, watch out, watch out, watch out-
watch out

[quote from the lyrics are heard]

[Lyrics Born]

In the beginning men and women had an obligation to
they children

[Lateef the Truth Speaker]

Then there was a real and true necessity and need for
building

[Lyrics Born] To instill the discipline and will, proliferate
the lineage

[Lateef] Matters of the spirit, mind, and body taken
serious

[Lyrics Born] But the way that we became what we
became, somebody please
explain

[Lateef] Well we can tell you if your curious, those that
reign got the
masses in chains and their minds enslaved

[*both*] And that's the part that makes me furious

[whispered 2X]

Watch out, watch out, watch out, watch out, watch out-
watch out

Watch out, watch out, watch out, watch out, watch out-
watch out

[repeat 2X]

'Cause there definitely ain't, no info readily available
To the general lay people, so let me know

[Lateef]

It's these elitist multimedia creeps that feed shit to the
neediest

It's the greediest trying to cheat us out of our God-given rights

[Lyrics Born]

To a quality education, minimal opportunities available
Limited occupations, we are not given a choice

[Lateef]

Or given a voice within a political system pimped and
gangstered-out
wherein the people are the victims, sheep, being led
about

[Lyrics Born]

While the followers and patrons of any faith outside the
mainstream
are berated, falsely painted as endangering the way
things were

[L] And the way things are tonight,

[LB] I can't believe that things ain't worse

[L] With all the wicked seeds we've sown have grown

[LB] And poisoned all the earth

[L] It's serves us right

[LB] Can't really act surprised when the harvest has no
worth

[L] The curse that lurks around the corner

[*BOTH*] Is the product of our work

[whispered 2X]

Watch out, watch out, watch out, watch out, watch out-
watch out

Watch out, watch out, watch out, watch out, watch out-
watch out

[Lyrics Born]

(RIGHT NOW!)

The holy war is growing, opposing forces pony up
the origins of which have been historically ignored

[Lateef]

(RIGHT NOW!)

Our foreign policy is meddling in some democracy
upholding an aristocracy of secret terrorist cells

[Lyrics Born]

(RIGHT NOW!)

The global poverty that we accept so commonly
turns people into property, one step away from hell

[Lateef]

(RIGHT NOW!)

Health care battles, bioengineering
for the worldwide scare of the plague that we're
fearing

[Lyrics Born] (RIGHT NOW!) They have the right to put
your life under
surveillance

[Lateef] (RIGHT NOW!) They got the right to lock us up,
we don't obey 'em

[Lyrics Born] (RIGHT NOW!) Modern education don't
prepare the youth

[*both*] (RIGHT NOW!) [RIGHT NOW!] Do what you
gotta do!

[Lyrics Born] (RIGHT NOW!) There's people shootin' at
people that's throwin
stones

[Lateef] (RIGHT NOW!) There's a movement of evil
across the globe

[*both*] RIGHT NOW is where we at, what comes
around goes around

TIME FOR ACTION BEFORE THE LAST TRUMPET SOUNDS!

[humming and ad-libs]

[Lateef]

(RIGHT NOW!)

Opposing forces pony up for a cause so glorious
but he who stands alone with justice, none touches

[Lyrics Born]

(RIGHT NOW!)

The only option we can profit from is movement
toward the positive progressive thought that's rooted
up in consciousness

[Lateef]

(RIGHT NOW!)

Grass roots run deep, troops do
diffuse confusion stewed by rude groups loose

[Lyrics Born]

(RIGHT NOW!)

We can benefit if we can pool our energy collectively
Project it in a direction used effectively

[Lateef] (RIGHT NOW!) We have the opportunity for
self-improvement

[Lyrics Born] (RIGHT NOW!) We can reinforce the
strength of the family unit

[Lateef] (RIGHT NOW!) Our community, it must support

the youth
[*both*] (RIGHT NOW!) [RIGHT NOW!] Do what you
gotta do
[Lateef] (RIGHT NOW!) There's people looking for
people with common goals
[Lyrics Born] (RIGHT NOW!) There's a movement of
unity across the globe
[*both*] RIGHT NOW is where we at, what comes
around goes around
TIME FOR ACTION BEFORE THE LAST TRUMPET SOUNDS!

[whispered as many times, while DJ Shadow cuts and
scratches]
Watch out, watch out, watch out, watch out, watch out-
watch out
Watch out, watch out, watch out, watch out, watch out-
watch out
