Same bed but it feels just a little bit bigger now
Our song on the radio but it don't sound the same
When our friends talk about you, all it does is just tear
me down
Cause my heart breaks a little when I hear your name

It all just sounds like oooooohâ€¦
Mmm, too young, too dumb to realize
That you should have bought me flowers
And held my hand
Should have gave me all your hours
When you had the chance
Take me to every party
Cause all I wanted to do was dance
Now baby I'm dancing
But I'm dancing with another man

your pride, your ego, your needs, and your selfish
ways
Cause a good strong women like me to walk out your
life
Now you never, never gonna clean up the mess you
made, no
And it haunts me every time I close my eyes

It all just sounds like oooooohâ€¦
Mmm, too young, too dumb to realize
That you should have bought me flowers
And held my hand
Should have gave me all your hours
When you had the chance
Take me to every party
Cause all I wanted to do was dance
Now baby I'm dancing
But I'm dancing with another man

Though it hurts
I'll be the first to say that you were wrong
Oh, you know it's probably much too late
To try and apologize for your mistakes
I just want you to know

I wish you bought me flowers
Wish you held my hand
Gave me all your hours
When you had the chance
Take me to every party
Cause all I wanted to do was dance
Now baby , I'm dancing
But I'm dancing with another man

Did all the things you should of done
When you were my man
