"How Could You"

Visit "[How Could You](#)" on MotoLyrics.com

Kau datang sekejap membawa harapan
Lalu kau pergi meninggalkan diriku
Kini ku tenggelam dalam tangisku
Bagaimana ku relakan yang telah jadi milikku

You're the one who show me what's love
Then take it all away (hoo baby)
You're the one who reassemble all my broken heart
And break it all over again (break it all over again)

(Your smile) gives me life then it kills me
(Your eyes) show me hopes then they tear me
Your love flied my high away then it throws me back
down hardly
How could you make me say I love you, I love you

Kini ku mengerti cinta takkan bisa dipaksa
(Ku tetap menanti dirimu)
Ku tak peduli kata mereka asal kau milikku
Bagaimana ku relakan yang telah jadi milikku

You're the one who show me what's love
Then take it all away (hoo baby)
You're the one who reassemble all my broken heart
And break it all over again (break it all over again)

(Your smile) gives me life then it kills me
(Your eyes) show me hopes then they tear me
Your love flied my high away then it throws me back
down hardly
How could you make me say I love you

Â... (you're the queen of my heart, yeah right)
You said you love me but I know that's all a lie you say
Â...
How could you break my heart

You're the one who show me what's love
Then take it all away (hoo)
You're the one who reassemble all my broken heart
And break it all over again

(Your smile gives me life) then it kills me
(Your eyes show me hopes) then they tear me
Your love flid my high away then it throws me back
down hardly
How could you make me say (I love you)
All this time youÂ’ve made myself say (I love you)
And another time I realize all those days I donÂ’t love
you

(How could you make me say I love you
How could you
How could you make me say I love you
How could you)
