Good morning mister sun
the day has just begun
I've got so much to do now
I washed my hands this morning
so very clean and shine
Jah, I hold 'em up to you now (woohoo)
Let go feet, be careful!
Where you taking me to?
Anything for that child, who only love me too
but then again
No man, could ever stop me from praise my Jah
(Woohoo)

Hallelu-, Hallelu-, Hallelujah
Ooo mercy please

Hallelu-, Hallelu-, Hallelujah (yeah)

Hallelu-, Hallelu-, Hallelujah (woohoo)
Oh mercy please, mercy please

Hallelu-, Hallelu-, Hallelujah (yeah)

Geneva Study Bible (Psalm 6)

Rebuke me not do' Jah in thine anger, neither chasten
me in thy hot displeasure
Have mercy upon me, O Jah; for I am weak; O Jah; help
me from my bones of vex
My soul is also so vexed: but thou, O Jah, how long?
Return, O Jah, deliver my soul: oh save me from thy
mercies' sake
For in death there is no remembrance of thee: and in
the grave who shall give thee thanks?
I am weary with my groaning; all the night make I my
bed to swim; I water my couch with my tears
Mine eye's consumed because of grief; it waxeth old
because of all mine enemies
Depart from me, all ye workers of iniquity; for the Lord
Jah Rastafari hath heard the voice of my weeping
(woohoo)

Lord Jah Rastafari will recover my prayer, Lord Jah
Rastafari hath heard my supplication

I will (yeah)
Mama, I'm innocent
Mama, I'm innocent

No man, could ever stop me from praisin my god
Nobody!
No man, could ever stop me from praisin my god
