Badi mushkil hai, khoya mera dil hai
Koi usse dhoondke laaye na
Badi mushkil hai, khoya mera dil hai
Koi usse dhoondke laaye na
Jaake kahan main rapat likhaaon
Koi batlaaye na
Main roun ya hasoon, karoon main kya karoon
Badi mushkil hai, khoya mera dil hai
Koi usse dhoondke laaye na
Jaake kahan main rapat likhaaon
Koi batlaaye na
Main roun ya hasoon, karoon main kya karoon
(Deewaangi ki had se aage guzar na jaaon
Aankhon mein uska chehra, kaise usse dikh laaon)
Voh hai sab se haseen, vaisa koi bhi nahin
Mere khuda, uski ada hai badi qatil
Mujhe nahin pata chhaaya hai kya nasha
Main roun ya hasoon, karoon main kya karoon
(Sapnon mein aane waali baahon mein kab aayegi
Kitne dinon tak mujhko aise voh tadpaayegi)
Dekhoon mudke jidhar, paaye voh hi nazar
Meri dagar, mera safar, voh meri manzil
Deewaana hai sama, jaage hain armaan
Main roun ya hasoon, karoon main kya karoon
(Badi mushkil hai, khoya mera dil hai
Koi usse dhoondke laaye na)
Jaake kahan main rapat likhaaon
Koi batlaaye na
Main roun ya hasoon, karoon main kya karoon
