Aa'Â€Â¡aa'Â€Â¡  
Khoya hai paake jisne pyaar main hoon na  
Bechain main hoon, beqaraar main hoon na  
Koyi toh ho aisa, jisko apna keh sakoon  
Koyi toh ho aisa, jiske dil mein reh sakoon ho'Â€Â¡  
Koyi toh kehta ek baar main hoon na  
Khoya hai paake jisne pyaar main hoon na  
Bechain main hoon, beqaraar main hoon na

Aa'Â€Â¡aa'Â€Â¡

Jo bandhan toote, jo apne roothhe  
Paas aa jaayein phirse dooriyaan  
Ye kyun hota hai, ke dil rota hai  
Bebas ho jaati hai, ye zabaan  
Apne toh saare is kinaare reh gaye ho...  
Tanha chala jo us paar main hoon na  
Khoya hai paake jisne pyaar main hoon na  
Bechain main hoon, beqaraar main hoon na

Jahaan bhi main jaaun, jahaan bhi main dekhoon  
Saare chehre begaane se hain  
Kabhi koyi tha, jo mera hi tha  
Ye qisse ab afsaane se hain  
Kal zindagi ne khel khele the gaye  
Kuch log jeete, jeet ke sab le gaye ho...  
Hisse mein aaya jiske haar main hoon na  
Khoya hai paake jisne pyaar main hoon na  
Bechain main hoon, beqaraar main hoon na
