Zamane se puchho mere dil se puchho  
Main khush hoon nahi hoon  
Tumhen kya pata  
Sabhi saath hain par main hoon akela  
Andhera bada yeh dil bujh gaya  
Din raat raat main hoon jaagta  
Har khwaab khwaab tujhko maangata  
Meri zindagi ka toh hain haadsa  
Mere humsafar tum kaha kho gaye ho  
Yeh kya ho gaya

Nagmon ko mere sunkar hamesha roti ho  
Kyon tum ho khud se khafa  
Khaton ko meri tum seene se lagakar  
Sisakti ho tum kyon hai kiski khata  
Yeh kya ho gaya  
Zamane se puchho mere dil se puchho  
Main khush hoon nahi hoon  
Tumhe kya pata

Tum toh safar mein mere hamsafar the  
Kahaan kho gaye ho yeh kya ho gaya  
Pal jo hamesha khushi se bhara tha  
Woh pal hamein ab rulane laga hain  
Yeh kya ho gaya  
Zamane se puchho mere dil se puchho  
Main khush hoon nahi hoon  
Tumhen kya pata  
Din raat raat main hoon jaagata  
Aur khwaab khwaab tujhko maangata  
Yahi pyar pyar ka hai vaasta  
Meri zindagi ka toh hain haadsa  
Mere humsafar tum kaha kho gaye ho  
Yeh kya ho gaya
