she's just sixteen years old
leave her alone, they say,
separated by fools
who don't know what love is yet
but i want you to know
if i could fly
i'd pick you up
i'd take you into the night
and show you a love
like you've never seen - ever seen
it's like having a dream
where nobody has a heart
it's like having it all
and watching it fall apart
and i would wait till the end
of time for you
and do it again, it's true
i can't measure my love
there's nothing to compare it to
but i want you to know.....
