[Verse: Jay Read]
Baby you and me go back like Hide and Go Seek
I remember we would play fight all under them sheets
Now we're grown now dealing with lovers and cheats
An you know deep in your heart
That man that your with should be me
An you the know the reason why
Cause he likes to dramatize
An because you love him you fall for the I'm sorry
everytime
I try to be the good friend and fallback
Stay outta ya situation but tha cry is getting louder
louder

I can hear your heart crying out for me (crying out for me)
I can hear your heart crying out for me
(And it keeps on saying) Come on in, come on in come on in and save
(And it keeps on saying) Come on in, come on in come on in and save
(I can baby) I can hear your heart crying out for me

Baby, I should've never caught feeling
But baby having late night conversation on your sofa
You telling me how he played you out over and over, over and over
But I'm stuck in the middle of seeing you hurt
I know when you love him
And you wanna make it work
And I can't help but think that I knew you first
It's getting louder

Girl I can't ignore it no more baby

I can hear your heart crying out for me (crying out for me)

I can hear your heart (oh yeah) crying out for me

(And girl it's saying)

Come on in, come on in, come on in and save (Save me)

Come on in, come on in, come on in and save (oh oh oh)

I can hear your heart (I can hear it yeah) crying out for me

Girl it's crying it's crying

I don't wanna confuse things (no)

But I just can't keep lying to myself

When you're holding me (when you're holding me)

I can feel your pain oh baby let me be your dream

I'm the answer come see me (see me)

And u don't have to cry no more (u don't have to cry)

Girl I can hear your heart baby

I can hear your heart

Girl it's crying

Won't you listen to your heart, baby

I can hear your heart crying out for me (girl it's crying out for me)

I can hear your heart crying out for me

(And it's saying)

Come on in, come on in, come on in and save (Save me)

Come on in, come on in, come on in and save

I can hear your heart crying out for me

Girl I can hear, hear it cry for me, for me, for me, for me

Ladies wave your hands in the air

Ladies wave your hands in the air

Oh baby

It's crying for me

It's crying for me for me
