Come And Get These Memories  
Martha & The Vandellas  
(B. Holland/L. Dozier/E. Holland, Jr.)

Lover you've gone from me  
And left behind so many memories

Here's your old friendship ring  
I can't wear it no more  
Here's your old love letters  
I can't read them any more

Lover you've gone from me  
And left behind so many memories

Here's that old teddy bear  
That you won from me at the state  
Here's some old valentine cards  
Give it to your new sweetheart

Lover you've gone from me  
And left behind so many memories

Come and get em, come and get em

Here's our old favorite record  
I can't stand to hear it anymore  
Here's some old lingering love  
Its in my heart and its tearing it apart

Because of these memories  
I never think of anybody but you  
So, come on and get 'em  
'Cause I found somebody new  
Come and get these memories  
Since you've gone out of my life  
Come and get these memories  
Since you've gone out of my life  
Come and get these memories  
Since you've gone out of my life  
Come and get these memories

Since you've gone out of my life
