[Will I Am]

Mary J Will I Am in the place with the love
Yeah, it feels, it feels good
Mary J, Will I Am
Tell 'em how ya feel

[Mary J]

Boy you got me goin' crazy
I don't know what to say anymore
Cuz still I wanna be your lady
You know that I would never walk out that door
I'm not giving up on us but
Things can get a little hard in this life
But you know, you know I love you

1 - You're everything I ever wanted
Everything I've never wanted
In a man, can't you see
What you're doing to me

I'm sayin' yes and sayin' no
Because I don't want you to know
How I really feel, how I really feel

About you (You know how I feel)
About you (You know how I feel)
About you (How I feel, you know how I feel)

So very happy with my life
(It's a new life for me, yeah)
(Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah)

You, you're the one for me
I don't wanna be free
Boy, you have rescued me
But sometimes I don't want to be bothered
Baby, don't think I am shady
Just adjusting to ya
I don't wanna confuse ya or even misuse ya
But I love ya, I love ya, yeah, yeah

Repeat 1

Ooh, so very happy with my life
So glad to have someone to hold me
So very happy with my life
I'm So glad, so glad, so glad

[Will I Am]

Baby, you a soul mama
Love's what I'mma bring to you
Quick don't pause like a comma
Won't stall on ya when it's time to put it on ya
Don't call on a nother chick I'm callin' on ya
Won't trip on ya, I don't bring the drama
I won't dip out when it's trauma
I'm holdin' on mama, hold up, wait a minute
We've been through the down's up, but stayed in it
So glad that I've got you, that I got you
So glad that I got you, that I got you

Repeat 1

There it is
