My sweet  
Sexy girl

Let me show you  
How I'm gonna  
Love you, girl tonight (Love, you, girl, tonight)

Chorus:

[Marcos Hernandez] My heart  
Belongs to tenderoni  
[MC Magic] She's my only love  
[Marcos Hernandez] She's my  
Only love  
[MC Magic] My tenderoni  
[Marcos Hernandez] My heart  
Belongs to tenderoni  
[MC Magic] She's my only love  
[Marcos Hernandez] She's my  
Only love  
[MC Magic] Oooh, oooh, oooh, oooh  
Oooh

[Verse 1: MC Magic]

When I  
Sit back and I close my eyes  
When I got you sittin' by my side  
When I feel that sexy body rubbin' up all over mine  
That's when I know I got a tenderoni  
More than a homey  
When the lights go down, you all up on me  
Damn; what I gotta do to show you, mama  
Touchin' places that you wanna  
So hot like Arizona  
NY to California  
Cause you that type of tenderoni that I been tryin' to  
find  
Tell me your fantasies and all them secrets in your  
mind  
Let's roll in a hotel suite  
Lingerie and your pretty feet

Looks so good that I wanna eat  
I think you twistin' me  
And I know you love this place  
So good like birthday cake  
Let's put it down like Bobby Brown, and my man  
Babyface

Repeat Chorus

[Verse 2: Jx3]

Used to be a dame when I pimped the game  
Different kind of girl for a different day  
It's funny how life take a sudden change  
Cause any more pimp left in my brain  
Got one girl that makes me whole  
All them other girls is out the front door  
Once was, in a rush, to be grown  
But now I sit back, relax and drop slow  
Got a lot of money and you knowin' that  
So let me give you ice like a polar cap  
Get a Gucci bag outfit to match  
And then, get the shoes that go with that  
I love it when you walk out and represent  
Jx3 to the full extent  
The way you dig a dame give me confidence  
That I'm a company, get the bombest chick  
Can't anybody tell me that you not that girl (Nope)  
Can't anybody tell me theirs are better than the world  
(Nope)  
Everybody wanna be a judge  
But the reality, is they mad they ain't got that girl  
Let's sit back and live it up  
Get a couple whips and ram 'em up  
Turn the focus from them to us  
All my non-believers can give it up

Repeat Chorus

[Jx3]

Welcome to Magic City, baby  
Hey

[MC Magic]

Shooby-doo-wop, shoo-doo-wop  
I wanna love you  
Shooby-doo-wop, my tenderoni  
I wanna take you to Magic  
City, city, baby  
Shooby-doo-wop, shoo-doo-wop  
I wanna love you  
Shooby-doo-wop, my tenderoni

I wanna take you to Magic  
City, city, city, city (Baby)

Repeat Chorus
