Deep in the night
I hear the darkness
Bones tell the body
Rest in its arms

I hear the calling
Of life's sweet embrace
Resting too soon

Deep in the night
I feel the stardust
Blue tells the heavens
Fall from the sky

I feel the shadows
Of time's own longing
Falling away

Deep in the night
I pray a candle
To tell the snowfall
Wait for sunrise

I pray a halo
Of man's cold morning
Holds to the light

I pray a halo
Of man's cold morning
Holds through the night
