I know, I know, I know you
I know you know you know me too

So, when the sun went down
And I lost your eyes
I prayed to God let the light
Shine off you again
It ain't easy leavin' you

Without a sound
I remove your crown
Your green dress glows
As the stars go round
I pray to God let the darkness
Cheat the dawning light

Musical interlude

So, when the sun went down
And I lost your eyes
I prayed to God let the light
Shine off you again
It ain't easy leavin you

I know, I know, I know you
I know you know you know me too
