Different Worlds (Theme from the TV show "Angie")

Maureen McGovern

Chorus:

Let the time flow

Let the love grow

Let the rain shower

Let the rose flower

Love it seeks and love it finds

Love it conquers, love it binds

We come to each other from different worlds

Drawn to each other by the love inside of us

We give to each other our different worlds

Long as we can do it

Life is gonna breeze right through it

(Chorus)

We reach for each other from different worlds

With love for each other that will stand the test of time

We're up to the challenge of different worlds

With this love inside us

There is nothing can divide us

(Chorus)

Love it seeks and love it finds

(Love it seeks and love it finds)

Love it conquers, love it binds

Love it seeks and love it finds

Love it conquers, love it binds
