There's got to be a morning after  
If we can hold on through the night .  
We have a chance to find the sunshine  
Let's keep on lookin' for the light  
Oh, can't you see the morning after?  
It's waiting right outside the storm.  
Why don't we cross the bridge together  
And find a place that's safe and warm?  
It's not too late, we should be giving,  
only with love can we climb .  
It's not too late, not while we're living ,  
Let's put our hands out in time.  
There's got to be a morning after .  
We're moving closer to the shore  
I know we'll be there by tomorrow;  
And we'll escape the darkness,  
We won't be searchin' any more.  
There's got to be a morning after
