From the Movie "The Poseidon Adventure"

There's got to be a morning after

If we can hold on through the night

We have a chance to find the sunshine

Let's keep on lookin' for the light

Oh, can't you see the morning after?

It's waiting right outside the storm

Why don't we cross the bridge together

And find a place that's safe and warm?

It's not too late, we should be giving

Only with love can we climb

It's not too late, not while we're living

Let's put our hands out in time

There's got to be a morning after

We're moving closer to the shore

I know we'll be there by tomorrow

And we'll escape the darkness

We won't be searchin' any more

There's got to be a morning after

(There's got to be a morning after)

There's got to be a morning after

(There's got to be a morning after)

There's got to be a morning after

(There's got to be a morning after)

There's got to be a morning after

(There's got to be a morning after)

There's got to be a morning after

FADE

(There's got to be a morning after)
