film Towering Inferno

We may never love like this again

Don't stop the flow

We can't let go

We may never love like this again

And touch the sky

Now we may try

So while we here

Let's give up all

We listed the dreams Inside us

and set them free

Oh, while we here

Let's live a mark

There's a candle in the dark

It's here to guide us

We may never love like this again

But through the days

Beyond the highs

I'll see you

Reaching out to hold me

I don't know just

Where or when

Still I'm sure

We'll love again, we'll love again

We'll love again (we may never love like this again)

We'll love again (we may never love like this again)

We'll love again (we may never love like this again)

We'll love again (we may never love like this again)
