Land of the free double
The standards
Lose your hand here
Hand here
Lose your hand here

Before you even place the bet
Wet your ears with dog sweat

Then we won't need you
Then we won't need you
In our beautiful land
Proverbial
We'll always have that on you
We'll always have that on you

Then we won't need you
Then we won't need you

You're a splinter
Cause you're a splinter

In our beautiful land

Proverbial
(Proverbial)
We'll always have that on you
We'll always have that on you
We'll always have that on you
We'll always have that...
(That...)

The double...
No money
The double...
No money
The double...
No money
The double...
No money

We'll always have that on you

We'll always have that...
We'll always have that on you
We'll always have that on you
