There you go
Flashing fever from your eyes
Hey babe, come over here and down tight
I'm not denying
We're flying above it all
Hold my hand, don't let me fall
You've such amazing grace
I've never felt this way...

Ooh Show me heaven
Cover me
Leave me breathless
Ooh Show me heaven please

Here I go
I'm shaking just like the breeze
Hey babe I need your hand to steady me
I'm not denying
I'm frightened as much as you
Though I'm barely touching you
I've shivers down my spine
And it feels divine

Ooh Show me heaven
Cover me
Leave me breathless
Ooh oh oh Show me heaven please

If you know what like
To dream a dream
Baby hold me tight
And let this be ohhhhh

heaven
Cover me
Leave me breathless
Ooh Show me heaven please

Leave me breathless
