Can't you see that I am hung on your love?  
Now, now, can't you see?  
Can't you see how much I need some more love, baby?  
Can't you see? Can't you see?

Ever since the kiss that night,  
Ever since I held you tight,  
I just don't want nobody else.  
So, put your lips on mine.  
Leave 'em there 'till the morning shine.  
Lord, don't leave me by myself.

Hey, lay a little lovin' on me!  
Lay a little lovin' on me!  
Honey, doggone it, I depend upon it,  
So lay a little lovin' on me!

Let me hear you now.  
Lay a little lovin' on me!  
(You gotta feel it, babe!)  
Lay a little lovin' on me!  
(Yeah!)  
Honey, doggone it, I depend upon it,  
So lay a little lovin' on me!

Every day is not enough of you, babe.  
I'm sayin' every day.  
I need the day and every nighttime too, babe.  
Every day, every day.

Don't you know what I got inside?  
A love too big to hide,  
A love that's growing day-by-day.  
You're such a pretty child.  
You 'bout to drive me wild.  
Come on babe, now whatcha say?

Hey, lay a little lovin' on me!  
Lay a little lovin' on me!  
Honey, doggone it, I depend upon it,  
So lay a little lovin' on me!

Let me hear you now.  
Lay a little lovin' on me!  
(You gonna want me, baby?)  
Lay a little lovin' on me!  
(All right.)  
Honey, doggone it, I depend upon it,  
So lay a little lovin' on me!

Ah, ah, ah,  
Honey, I want you.  
(Shoop-dop-dop, shoobie-doobie-dop-dop)  
Baby, I need you.  
(Shoop-dop-dop, shoobie-doobie-dop-dop)  
I love you, I love you.  
(Shoop-dop-dop, shoobie-doobie-dop-dop)

Oh, baby,  
Lay a little lovin' on me!  
Oh yeah, honey, doggone it, I depend upon it,  
So lay a little lovin' on me!

Let me hear you now.  
Lay a little lovin' on me!  
(You gonna want me baby?)  
Lay a little lovin' on me!  
Honey, doggone it, I depend upon it,  
So lay a little lovin' on me!

Just the girls sing it!  
Lay a little lovin' on me!  
(That's right!)  
Lay a little lovin' on me!  
(You gotta feel it now!)  
Honey, doggone it, I depend upon it,  
So lay a little lovin' on me!

Everybody now!  
Lay a little lovin' on me!  
(Come on!)  
Lay a little lovin' on me!  
(Sing along now!)  
Honey, doggone it, I depend upon it,  
So lay a little lovin' on me! Everybody give it to me now!  
Lay a little lovin' on me...(fades)
