

Ablaze In Hatred

"Closure Of Life"

Visit "[Closure Of Life](#)" on MotoLyrics.com

Finally...

You will see the day

Which gives the flickering of nothing

Deceased by this irrelevant world

Sorrow fills this bright air

Feel the cold on your skin

It is time to call the moaner

Of your bereavement

Helpless are the steps

So long is the path

To your death

To the closure of life

Horrors are forgotten

Everything is forgiven

The eternal sleep

Take your time

Finally
