Ha, ho  
I found myself these days in total sensuality  
Her radio and stereo, yes, all the same to me  
One thing is clear, say we all know what we hear  
The airwaves don't lie

I listen to the radio, its better than a stereo  
We listen to the radio, radio stereo

Telephone is ringing, but, I can hardly hear  
Though the man on the end of the line is speaking loud  
and clear  
Somehow my mind is where, where exactly I dont know  
Too busy tuning in the dial, portable Radio  
I know Im alive, so you can all go ride a bike  
The airwaves don't lie

I listen to the radio, its better than the stereo  
We listen to the radio, radio stereo  
Oh-oh-oh-oh radio, Oh-oh-oh-oh radio  
Oh-oh-oh-oh radio

Ha, ho

I know my friends ?..? what's she doin'  
Theres too much going on in here  
To determine ?.....? happening to me  
You could be lyin on a beach in Brighton  
While you're dreaming of Saint Tropez  
You aint got no money in your pocket, well it dont really  
matter anyway  
Cause I said, I know what I like so you can all go ride a  
bike

I listen to the radio, its better than the stereo  
We listen to the radio, tally-ho off we go  
Listen to the radio, dancing to the radio  
Listen to the radio, turn it off, let me go  
Listen to the radio, dancing to the radio  
Listen to the radio, turn it off, let me go  
Listen to the radio
