In stillness  
A silent weight  
Pausing as the minutes each evaporate

A desire  
To leave a scar  
To raise a voice from within the dark

Decaying  
Cascading  
Existence falls apart  
Around me  
Within me  
So I must leave my mark

CHORUS  
This is a document  
To prove that I was here  
This is a document  
To prove I was at all  
And when my voice ceases to be  
Will the echo still ring loudly?  
And when there's nothing left of me  
Will my memory still go on?

A flicker  
Transitory state  
An echo of an instance that burns a way

A moment  
A shard of time  
A solitary thread that threatens to unwind

Decaying  
Cascading  
Existence falls apart  
Around me  
Within me  
So I must leave my mark

(CH)

Distant  
An approaching age  
When this document falls beneath another's gaze

Too late  
We have lost the dawn  
The signal's loud and clear, but the transmitter's gone

Decaying  
Cascading  
Existence falls apart  
Around me  
Within me  
So I must leave my mark

(CHx2)
