You think Im crazy, right? Would that make anything  
better, if I was crazy? Is that it? Would that make  
anything better?!

Night falls with black wings  
He throws at her bed  
Gets stressed and takes off  
To sing to the dead  
Oh graverobber, oh graverobber  
Oh graverobber, oh graverobber  
In nightmares  
His breath stings  
He wanders like he's lost  
Seven days  
Hes frozen dry  
He rotted in the frost  
Flying doves  
Watch from afar  
As he falls at the ground  
Seventeen ring  
From the sky  
The course he has found  
Oh graverobber, oh graverobber  
Oh graverobber, oh graverobber  
You think Im crazy, right? Would that make anything  
better, if I was crazy? Is that it? Would that make  
anything better?!

Behind him  
With his sleeping friends  
He lays down his head  
Kissing lips  
Are tasting the  
Souls from the dead  
Robber and Thieves  
Have no respect  
For those he loves  
Solemnity knows  
Someone else  
He falls prey to  
Oh graverobber, oh graverobber  
Oh graverobber, oh graverobber
