Hey man I gotta tell you a story  
listen man what I go to say  
It took place here in a sunny afternoon  
and there was nothing to do  
We were all very hungry and had nothing to eat  
so we started to search for food  
some time later we found a deli-store  
but this wasn't what we wanted  
Junk Food is the only exception  
Junk Food is the rule over everything  
Junk Food and some chocolate ice-cream  
Junk Food is that what we want  
We skated downhill on the sidewalks of mainstreet  
And finally we found the right store  
As we came very close to the great holy place  
We begun to see our faves  
Oreo - the chocolate sandwich  
Chocomel - number one drink of Holland  
Kit Kat - the British waffelsnack  
Bazooka - the best chewing gum

[Chorus:]

If you're hungry and have no idea what to eat  
The only answer is: Junk Food that is what we want

In the store were five cute looking girlies  
And we asked them for the best teeth killer  
They were not interested in answering our questions  
'cause sex was on their minds  
We were thinking now if we should take off with them  
We said no to this great offer  
The girls were surprised and asked for an explanation  
I said Junk Food is what we want  
M&M's - the chocolate candies  
Raider - the double snack  
31 - the USA ice - cream

[Chorus]

At five o'clock after the great delicious meal  
We met at the rehearsal room  
Suddenly the door went open

And the five girls came with more stuff  
Oreos - for Mr.Cash  
M&M's for Psycho II ant Mr.T  
Chocomel for Mr.Hoo P  
Milky Way for Mr.Space Man

[Chorus ]
