Torture: subconscious  
And domestic, how it feels to ship  
A "unit" home to you in plastic,  
Cold storage and a casket, open  
Your present inside you find  
Your darling pride and joy.  
Question your leaders and their  
Methods. What we call freedoms  
Have all boiled down to bribery.  
Our list of choices exits so we  
Think we have some to make, but if  
You try you will discover the  
Subtle difference between the  
Complacent free and the ones that  
Makes the waves. Why must we die  
When bureaucrats tell us to? Why  
Must we sacrifice ourselves for  
The disbelief of others? Why must  
We be thrown away? Why must we die  
Under false pretense? Torrential  
Downpour of bodies bagged and  
Toe-tagged with names and ranks or  
Destinations but the only  
Information of any importance is  
The number they're assigned. What  
Is to be a statistic blows my  
Mind. Why has our sense of  
Humanity gone away?  
Pseudo-villains, planted for  
Propaganda, remind us who we can  
Trust, who we can put our faith  
In, no one. Boasts of  
Accomplishments falling on dead  
Ears, a severe affliction of blind  
Faith following the blind.

Why must we die?

Why must we die?

Why must we die?

## WHY MUST WE DIE?
