Verse-1

I feel so sexy today
I like to feel like this
Everyday. Do you
Want to come and play?
Getting hot and naughty like
A three way.

Pre-Chorus:

I feel
You're
Complexion perfection
I love the attention
You know I love it.

Chorus:

Take it off show some skin
Get naked everybody's in cuz
Sex sells.
You've got to breathe heavy
Exhale everybody knows that
Sex sells.

Can you handle it? Well?

Verse-2:

Cologne is the only thing
I wear to bed and I'm getting
All hot inside my head.
I'm touching my body to
The sound. In the bedroom
Is where it's going down

Pre-Chorus:

I feel
You're
Complexion perfection
I love the attention
You know I love it.

Chorus:

Take it off show some skin
Get naked everybody's in cuz
Sex sells.
You've got to breathe heavy
Exhale everybody knows that
Sex sells.

Bridge:
Sex sells everybody knows
Exhale.
Your life now televised
Viewer discretion is advised
Undress me with your eyes
Touch the stars and kiss the
Sky.

Chorus:
Take it off show some skin
Get naked everybody's in cuz
Sex sells.
You've got to breathe heavy
Exhale everybody knows that
Sex sells.

End:
Your life now televised
Viewer discretion is advised.
