As the midnight hour awaits  
The sound of silence is pounding my soul  
The last vestige of hope is behind those walls  
The eternal ice!  
The labyrinth has broken once again  
Thy has fallen by my hands  
Heavenly light in the distance the time is now  
Break free!

Odlazim negde gde vreme je stalo  
Hocu put, hocu svetlost!  
Hocu izlaz iz ove tame  
Svega ovog dosta mi je  
Lavirinta, bola, drame  
Uzalud cekam, jos uvek trazim  
Uporno zovem, niko me ne cuje  
Proslost je svuda, ona goni.  
Kuda nas zove, kuda vodi  
Ovaj zivot bez mnogo reci?

Ponoc izvire  
Nocas tesni me dusa sna  
Dusa koja gradi hram  
Mog svetla koje je doslo do dna

In this hour of darkness  
I come forth with urge  
For truth and castellation.

Mystic long forgotten tongue speaks within me  
Exaudi domine vocem meam!  
To this prayer I succumb,  
The candles are burning colder now,  
Through malice and darkness I see  
Lux intenebris lucet  
Lux veritatis

Kada gresnici spoznaju strah  
Zidovi bola postace prah  
Razapet na sopstvene lazi  
Zaslepljena uz prazna obecanja  
Gresna dusa izlaz uvek trazi

Kratkom molitvom pomilovanja  
Kruna trnja sada me probada  
Niko me ne cuje  
Ona steze, sve nas veze.  
Kuda seze  
Ovaj zivot bez mnogo svetla?

Ponoc izvire  
Nocas tesi me dusa sna  
Dusa koja gradi hram  
Mog svetla koje je doslo do dna

Razbijam led ovih zidina  
Ostavljam vecni trag  
Uskoro bice slobodan  
Davno uhvacen zrak
