Regurgitating digestive tract
Swallow my vomit flows red
Nemesis of morals
Ejaculate while slicing the dying whore

Paralyzed apoplectic unable to resist
Torture begins under a sepulchral garment of mist
Anal chainsaw penetration
Intestinal hemorrhage

Wrenched lacklusted guts
Dangling by a vein
Wrenched lacklusted guts
Triumph of gore

Dissecting the carcass intercranial torment
I wrench your stinking guts
Dressed in carnal ornaments
Licking the matter
Flowing from her abscess
Nauseating fragrance of convulsive
Body parts
Eructations
