[Archie Lee]

Mista Masta Archie Lee, Cootabang, Swishahouse
Look, yeah, watch me, yeah

Fo' sheezy, breezy, look mayn please believe me
Stopping me ain't gon' be easy, the rap game needs
me
Got freaks that wanna sleaze me, please me, and freak
me
Niggaz wanna bleed me, shoot me up and leave me
Archie Lee flow nice, plus my ice is icy
You can call me nicey, my lifestyle is pricy
I like expensive things, cars, clothes, and pinky rings
Popping champagne with Paul Wall and Cootabang
Buy the bar out (yeah); pull them cars out (yeah)
Let me show ya how we represent the Swishahouse
(yeah)
Paid in full like E.P.M.T., so whenever you come to
Texas look it's all on me
We got the brown; we got the purple and green
In a 765, with them feezy (wit them feezy)
Sixteen, interior clean, plasma screen
Archie Lee and Swishahouse bitch we living our dream
(yeah)

[Cootabang]

Okay look, it's Coota Capone
I'm mob style status, call me Coota The Chrome
Fuck in my pasta, slouch in my posture
Hot guns and butter, bread, cheese and lobster
Probably be on lock the day before my album drop
Hop out the next day, go platinum, diamond watch
Cootabang, Swishahouse I'm in my right zone
Paul Wall, Mista Masta: Archie Lee, and who? (MIKE JONES!)

T. Farris and Red, Watts and Dash
I maneuver towards rocks and cash
I'm that bastard, I'm that hazard
Ay, pay attention I'm that ball-diculous disaster
I'm that nigga that's ill with the flow
Probably ride through the manner, probably chill with
ya know
I'm Swishahouse stomping, Nashville stomping
Shut the fuck up if you bitch niggaz bumping
