Kind yet fucking stupid and ignorant words from a  
prominent and corrupt Reverend, here in Australia.  
God love him, 'cause no one else does.

The fairytale adult  
The movie of all time  
The mini-series to top all soaps  
The show watched by the blind  
On bent knee with pockets full  
A smile, oh so kind  
Lying, cheating, molesting,  
I'm sent by the divine

Re-Pray

I'm the star of the circus  
That rolls into your town  
and I'm fronting the parade  
I'm the one that's called the clown  
A face so very trusting  
With a wandering hand  
Persuading and relaying verses  
From the promised land

Re-Pray
