The next best path to nothing is the way in which you  
live

Take it don't leave it because the choice is not yours  
Void is the path that controls your immortal toil  
Your soul lies dormant when your bodies in the soil

[Pre-Chorus]

The lies they feed - the love the greed  
The empty need (it's written on your face)  
Just lies and greed your soul they need  
On the weak they feed (it's written on your face)  
Just lies and greed the souls they need  
The weakness breeds (it's written on your face)  
The lies the greed your soul they need  
The weakness breeds  
And it's written on your face

[Chorus]

If you wanna hear the truth then don't believe in the lies

We'll only find the answers when we die

[Melody Gooch]

How can you spoonfeed these lies to the children laid  
to rest  
They're just fucked up views infecting innocent soil  
Righteousness covers grief well hidden behind golden  
masks  
Security blanket your book of understanding  
That you lack

[Repeat Pre-Chorus]

[Repeat Chorus]

[Lead Gooch]

The next best choice to nothing is control the life you  
live

Leave them don't take it because the choice is now  
yours  
Door knockin hysteria controls their mortal toil  
Their life is gone all golden plans now foiled

[Repeat Pre-Chorus]  
[Repeat Chorus]
