"Soul - Less"

Soul-less lies beneath the exterior
Incapable now constantly I fall
In my blind eyes
Inevitable life's doom stalks near

Soul-less dead beneath the exterior
Incapable constant I fall
My eyes bleed now
The inevitable doom, it draws near
Forseen it was foretold, reject to recollect
Forseen it was foretold, reject to recollect

Dense grey laughing as I turn to see
Fears left behind, now I need all
In this life, embedded was to be a failure

Soul-less scarred arms
Brings in the end to the new day
Now all that I know
Feeds into collapsing veins
Forseen it was foretold, reject to recollect
Forseen it was foretold, reject to recollect

(Repeat Chorus)

Dark, cold grey. Future lies not there to see

Forseen I was told, reject all thoughts that recollect
(times 3)

(Repeat first verse times 2)
