[Mike Jones]

Who? Mike Jones - who, Mike Jones, who Mike Jones

Geyeah! Holla at your boy

Y'all know my cell phone number, geyeah!

Everyday I stay on my grind, and I hold it down 'til I'm  
not around

I mash for cash so I can eat, I grind so much that I  
hardly sleep

I'm pimpin the game, grippin the grain, under 25,  
gettin this change

A CEO at twenty-fo', holdin it down for that Texas  
mayne

Mike Jones, Nicole Wray, we stay on the grind, we don't  
play

In Fila {?} forever stay, puttin it down, for that pay

It's a man's world, that's what they say

But I think girls get {shit} they way

But who am I to argue and bust

I don't give a {fuck} you can kiss my nuts

I'm steppin out, hoppin in my Lo

Grippin on grain, tippin on Vogues

"Who is Mike Jones?" finally here, so go and pick it up  
out the sto'

I said - I'm steppin out, hoppin in my Lo

Grippin on grain, tippin on Vogues

"Who is Mike Jones?" finally here, so go and pick it up  
out yo' sto'

[Chorus: Nicole Wray]

It takes a lot to be in a man's world

Believe it or not, I'm runnin for my girls

Holdin it down, ridin through yo' block

And if you get hot, I show 'em what I got

It's a man's world.. it's a man's world

It's a man's world.. but it wouldn't be nothin without me  
and my girls

[Nicole Wray]

Baby girl was workin real hard nine to five

Boss man came through, told her come inside

Said he didn't need her service no more  
And everything she worked hard for out the door  
First thing she did is thought about the kids  
And how to pay the bills and keep food in the fridge  
She said, "No! This ain't right!" Looked at him and said  
"It's a cool world, and I'm destined for greatness"

[Chorus]

[Nicole Wray]

It's a man's world.. it's a man's world  
It's a man's world.. but it wouldn't be nothin without me  
and my girls

Couple years later, see the girl doin fine  
Big ol' house and bright diamonds that shine  
Drove by the old job, seen the old boss  
Splashed water in his face, music loud and drove off  
See what he ain't know, baby girl was gifted  
Tried to hold her down, hold her back but he missed it  
She's her own boss now, she stay gettin lifted  
Party hard with her friends, stuntin on the fakers  
Y'all ain't never seen no face like this  
Bass like this, haze like this  
Y'all ain't never seen no cash like this  
Floss like this, boss like this - this is what she say to  
y'all  
Y'all ain't never seen no face like this  
Bass like this, haze like this  
Y'all ain't never seen no cash like this  
Floss like this, boss like this

[Chorus]

[Nicole Wray]

It's a man's world.. it's a man's world  
It's a man's world.. but it wouldn't be nothin without me  
and my girls

(Mike Jones! Mike Jones!)

It's a man's world.. whattup Dame? Whattup Devin?  
It's a man's world yeah... yo, it's a man's world  
And it wouldn't be nothin without me and my girls

[Mike Jones]

Holla at ya boy man  
2-8-1, 3-3-oh, 8-zero-zero-fo'  
Hit Mike Jones up on the low cause Mike Jones about to  
blow  
Yeah! That's my real cell phone number too man  
Holla!
