Yeah

Triple D in this building

International so you know (x2)

International let them know

International so you know

(TaTaTaTyrone!)

Dreaming big dreams and wishing

Thinking Lord where'd I go

International local star

Buy the bar

Your big house my kitchen

Flights engaging me round the globe

Been on stages

These papers show

Me on wages its 6 zeros

What the blaze is Mercedes wo

And ladies o

Won fe pa mi men I love these

Yes I see you o

In all these shows

So go down low

All the lessons learned and stand

Back and forth its Lagos Japan

And then Kaduna

Mu yi rawa muna

Hadu today so let's get this pay

Sunshades I hustle e'day

Oluwa ti se toju mi o le je gbese (God has kept me, I
owe no debt)

Aiye o gbodo sumo mi, Oluwa ti pese (Evil can't befall
me, God has provided)

Rain rain go away, come again another day,
I've got money to spray, to spray, let it rain

(x2)

so I look back at my life and I hustled to get here
All of my sacrifice how I managed to keep clear
The streets said jo
I had to give it the best shot
With time olon
Just give me the best spot,
Takada na yayi min so sei
Never jonzing
Let the haterz say.
Ekiti down to Abj to London town
Danbanza's y'all who needs a crown
1st stanza off
Quit jerking off
I paid my dues so I bleed success
I had to lose to understand what's next
Why u come dey vex Yes!
Party on the whole drinks on me
And all the millionaires gotta get it all free
For this match o boy no referee
Baby nice to meet ya
Muna yes I see ya

Oluwa ti se toju mi o le je gbese (God has kept me, I
owe no debt)
Aiye o gbodo sumo mi, Oluwa ti pese (Evil can't befall
me, God has provided)
Rain rain go away, come again another day
I've got money to spray, to spray, let it rain
(x2)

She's forming for boys in her new clothes
I'm feeling the way she dey tip toe
And the bartender saying we wan close
And the thick smoke
Bros I don't know

The highness I'm feeling the lingo
She pulling my clothes like a nympho
I'm ordering thinking we need more
For the 2 0 13 yo

Plenty drink
Plenty ice
All of us froze
When the Dj pause
All of us pose
And we wreck it all up
Where the next show
Awon boys wan para fun olosho's

Now my eyes wan clear

Where the visine
And we toasting this year
This is my dream
And she sitting on it
So she might scream
Tyrone on the beat
So I might lean

Oluwa ti se toju mi o le je gbese (God has kept me, I
owe no debt)
Aiye o gbodo sumo mi, Oluwa ti pese (Evil can't befall
me, God has provided)
Rain rain go away, come again another day
I've got money to spray, to spray, let it rain
(x4)
