I thought that dreams belonged to other men  
'Cause each time I got close  
They'd fall apart again

I feared my heart would beat in secrecy  
I faced the nights alone  
Oh, how could I have known  
That all my life I only needed you

Ooh, almost paradise  
We're knockin' on heaven's door  
Almost paradise  
How could we ask for more  
I swear that I can see forever in your eyes  
Paradise

It seems like perfect love's so hard to find  
I'd almost given up  
You must have read my mind

And all these dreams I've saved for a rainy day  
They're finally comin' true  
I'll share them all with you  
'Cause now we hold the future in our hands

Ooh, almost paradise  
We're knockin' on heaven's door  
Almost paradise  
How could we ask for more  
I swear that I can see forever in your eyes  
Paradise

And in your arms salvation's not so far away  
It's getting closer  
Closer every day

Almost paradise  
We're knockin' on heaven's door  
Almost paradise  
How could we ask for more  
I swear that I can see forever in your eyes

Paradise  
Paradise  
Paradise
