Sunday
Sunrise
Looking out across the bay
And in your eyes
I see all you want to say
And now you love me
The clouds above me
Couldn't stop the way I'm feeling
Now

There's more to life with you
Together we are beautiful
I wish with you to stay
For all my life with you
Would always mean it's beautiful
Together we are beautiful, I miss you

I see clearly
I am not afraid to fall
With you near me
I can rise above it all
And now you love me
The clouds above me
Couldn't stop the way I'm feeling
Now

There's more to life with you
Together we are beautiful
I wish with you to stay
For all my life with you
Would mean it's beautiful
Together we are beautiful, I miss you

Your arms, your arms
Your lips, your lips
Your mind, your mind
You're beautiful
Your arms, your arms
Your lips, your lips
Your mind, your mind
You're beautiful

There's more to life with you
Together we are beautiful
I wish with you to stay
For all my life with you
Would always mean it's beautiful
Together we are beautiful, I miss you

I miss you
I miss you
I miss you
I miss you
