Little bit lost and...
Little bit lonely
A little bit cold here
A little bit feared

But I, hold on
And I
Feel strong, and I
Know that I can

Getting used to it
Lit the fuse to it
Like to know who I am

Been talking to myself forever...yeah
And how I wish I knew me better, yeah
Still sitting on the shelf but never
Never seen the sun shine brighter
And it feels like me, on a good day

(on a good day)

I'm a little bit hemmed in
Little bit isolated
A little bit hopeful
A little calm

But I, hold on
And I
Feel strong, and I
Know that I can

Getting used to it
Lit the fuse to it
Like to know who I am

Been talking to myself forever...yeah
And how I wish I knew me better, yeah
Still sitting on the shelf but never
Never seen the sun the shine brighter
And it feels like me, on a good day

(repeat 1x)
