[Chorus]

Girl work it like that, put it on me
Forget 100 dollars, throw a couple g's
Let me see you go low, low, low, low, low
See the sexy shawties, in this party
Stacks on deck girl let's get naughty
Go, go, go, go, low, low, low, low, low

Her body dancing with somebody
That we on the lody dody, bumping finally a shottie
So if you get it how we live, start a fire on the floor
Take another sip of my hennesy and coke
It gotta be thick though, something like a grip on
Even if she pick bone, long as she can get low
These are my requirements, let me see what's good
So we can take it higher than a helicopter would
All I wanna do is, show her how I move it
So we can eventually take it back to where my room is
But let me see if she could do it, do it, like a trap girl

[Chorus]

Girl work it like that, put it on me
Forget 100 dollars, throw a couple g's
Let me see you go low, low, low, low, low
See the sexy shawties, in this party
Stacks on deck girl let's get naughty
Go, go, go, go, low, low, low, low, low

Lower than a whisper, drop it like you could do
Make them other dudes say wish that I could strip her
Put it on the ground like a hollywood star
Wanna take her down though I prolly should start
Asking now who she with, and who she wanna leave
with
Tell her bout my new and if she wanna see it
Girl it's up to you so I won't apply pressure
She looked to me and then replied yes sir
All I wanna do is, show her how I move it
So we can eventually take it back to where my room is
But let me see if she could do it, do it, like a trap girl

[Chorus]

Girl work it like that, put it on me

Forget 100 dollars, throw a couple g's

Let me see you go low, low, low, low, low

See the sexy shawties, in this party

Stacks on deck girl let's get naughty

Go, go, go, go, low, low, low, low, low.
